

Amir Sajed

Operations Manager

Amir is an energetic, self-motivated individual with proven leadership skills, including managing and motivating other staff to achieve company's overall objectives.

He is an effective communicator with a great problem solving ability.

He received a certificate of completion from The International Inventors and Innovators Society in 2006. He then received a certificate of Web Development and Design from the Technical and Vocational Organization.

He has 15 years experience as an Import export coordinator in various industries.

His personal interests include Photography, Diving, Flying, Painting and Traveling.

Amir's highly motivated attitude, combined with his professional skills and ambition to work makes him a valuable asset to the Nick Hadim's team.
